It's August! Which means that the "dog days" of summer are here . . . whatever that actually means. Anyway, it also means that we have our award winners for the month of July in Top Echelon Network, and we have a brand-new "**Recruiter of the Month**" recipient. In fact, this recruiter just recently ascended to the top spot in the Network. That's right—not only is [Russ Schutt, CSP of Progressive Executive, Inc.](#) the "Recruiter of the Month," he's also currently the **#1-ranked recruiter in the entire Network**. The Top Echelon Network consists of 1000 other business partner that do split recruiting both nationwide and worldwide.
